COMMUNITY SPIRIT IN FULL BLOOM!

A NEW PARK AND GREEN SPACE COMING TO LA PORTE IN 2025

THE NEW YORK
BLOWER COMPANY

THE NEW YORK
BLOWER COMPANY

Happy Birthday, USA!

Welcome to downtown La Porte, Indiana - Lincolnway to be exact - where thousands of citizens, family members, and friends from near and far share this day of national and local celebration together.

You're officially part of our 79-year long La Porte tradition, whether you are a first-timer or part of multiple generations who stake out their favorite spots along the parade route with chairs and blankets up to 24 hours in advance every year.

The parade begins today with a jet flyover scheduled to begin between 10:00 - 10:30 a.m. The floats, bands, vintage cars, dignitaries, and more will start down Lincolnway immediately following the flyover. The Kiwanis Club of La Porte is once again proud to organize this event as well as to accept the honor seeing La Porte recognized as "Indiana Capital for the Day".

Community Spirit in Full Bloom was chosen as our theme for 2025 because it celebrates how consistently our community comes together in so many different groups and organizations to work on things that matter, support those who need assistance, and take pride in our local traditions. And of course, everything is in full bloom in the summer - from the flowers to the fruits and vegetables to the people achieving success in their everyday lives. We hope this theme inspires gratitude and optimism for you as it did for us.

Speaking of gratitude, we are immensely grateful for the host of parade sponsors that help fund this event, the novel and traditional entries that will capture our attention for the next couple of hours, and all the volunteer hours and donations of time and service that come together to make today special. We hope you'll take the time to review this booklet and visit our website at www.kiwanis4thofjulyparade.org to appreciate the sponsors and even vote in the window contest!

On behalf of the Kiwanis Club of La Porte, we also invite you to join us in our mission to improve the world, one child and one community at a time. Whether with us or elsewhere, be sure to share your gifts and talents with groups, causes, and organizations working to enrich La Porte and keep our community spirits in full bloom!

GRAND CELEBRATION MARSHAL

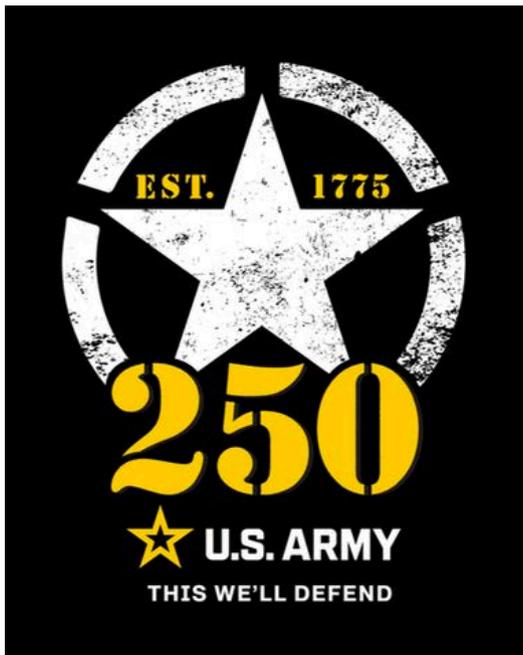

Retired Master Sergeant Charles Martin

June 14th marked the 250th anniversary of the Continental Army's establishment by the Second Continental Congress in 1775, more than a year before the Declaration of Independence was signed on July 4, 1776. The Kiwanis Club of La Porte selected Mr. Charles Martin as a local veteran to represent the Army's anniversary. What a find in retired Master Sergeant Charles Martin! Mr. Martin was born in La Porte County (Wanatah) in 1934, and he enlisted in the Army in 1954, retiring in 1975. Four of his five brothers also served in the Army. Married to his wife, Mary, for 39 years before she passed, he served two tours in Korea (where he arranged for the adoption of their youngest daughter), one tour each in Ethiopia, France, and Vietnam, plus a temporary duty in South Wales. He returned to our community and worked for another 22 years at Howmet as he and Mary raised their two daughters. Mr. Martin remains extremely active at the age of 91.

Our community is fortunate to benefit from Mr. Martin's continued service at the VFW Post 1130, Post 83 American Legion Honor Guard, AMVETS (Secretary), Vietnam Veterans (Secretary), American Legion Post 403 (Service Officer), Life Member of the Disabled American Veterans, Life Member of the VFW, and membership in the 40 & 8 (an honor society of military veterans). A full life of service worthy of recognition and gratitude brings us together to honor Mr. Charles Martin for his example, commitment, and a lifetime of service.

U.S. Army's 250th Birthday Celebration

As a matter of history, the Army was established in June, 1775, the Navy in October, 1775, and the Marines in November, 1775. This year marks the 250th anniversary of all 3 branches of the Armed Forces. Much later, President Truman established the Air Force in September 1947 once we had planes! The National Guard actually celebrates its origin from December 1636, when the first militia regiments in North America were organized in Massachusetts.

We thank all our military veterans from each branch of service as we celebrate and appreciate their commitment and sacrifice on behalf of their country and their fellow citizens.

La Porte Park & Recreation Plans Teen Bash with Kiwanis Club Support

One age group in our community underserved by parks – teens – actually stands to benefit the most from being outdoors in social and recreational activities. Providing spaces and events for teens promotes mental and physical wellness, develops social skills and encourages new experiences.

With that in mind, the Kiwanis Club of La Porte and the City of La Porte Park and Recreation Department are collaborating on a teen initiative this summer. After meeting with students from La Porte High School's Key Club (a student service club sponsored by Kiwanis), the teens have planned a Teen Bash – designed by teens, for teens – on **Saturday, August 9th**, at Fox Park. Planned activities include:

- Painting trash and recycling cans (leaving a legacy)
- DJ entertainment and food trucks
- Hosting a craft area (morse code bracelets, t-shirt decorating)
- Skatepark showcase or contest
- 3-on-3 basketball tournament
- Scavenger hunt with interactive stations

This event not only aligns with the Park Department's mission to engage the youth but also strengthens community ties and showcases the positive impact of collaborative efforts. The hope is the Teen Bash will be a memorable experience for all participants and set a precedent for future community events. Kiwanis Club, beyond supporting the Key Club efforts, has provided a \$4,000 contribution to cover the event expenses. The Kiwanis Club vision is one of being a positive influence in communities worldwide – so that one day, all children will wake up in communities that believe in them, nurture them and provide the support they need to thrive.

City of La Porte is Capital for the Day

Since the mid-1940s, the City of La Porte has been recognized for its excellence in 4th of July celebrations. This year is the 79th in which the sitting Governor of the State of Indiana has seen fit to name the City of La Porte, "Capital for the Day". Thanks to its citizenry, which lines the two-mile-long parade route, La Porte continues to rise above the rest. As written in the Proclamation:

- **Whereas**, July 4th is a day set aside for celebration and renewed dedication to American Freedom; and
- **Whereas**, the mantle of responsibility for the continuation of our free nation rests on the shoulders of every American citizen; and
- **Whereas**, our nation will remain strong only through continued vigilance, education, and commitment to the preservation of liberty and justice, for all; and
- **Whereas**, the Kiwanis Club of La Porte seeks to encourage such recognition and respect for the traditions and principles of our American heritage by sponsoring an annual celebration of our national Declaration of Independence: "Community Spirit - In Full Bloom."

Now, therefore, I, Mike Braun, Governor of the State of Indiana, do hereby proclaim July 4th, 2025, as **City of La Porte Capital for the Day...**

FLYOVERS

Our annual parade is never complete without the traditional flyover, and almost every year has brought this spectacle of sight and sound to the La Porte 4th of July parade. While never confirmed until just days before the parade, for the last several years our community can thank the Indiana Air National Guard in Fort Wayne for a safe and spectacular kick-off! It's scheduled to be overhead between 10:00-10:30 a.m.

LA PORTE PROUD!

GRAND PARADE MARSHAL

Dr. Dee McDonald, Bethel University President

We are excited to celebrate Dr. Dee McDonald, who was unanimously selected as the ninth president of Bethel University in Mishawaka, Indiana. He's a 2001 graduate of La Porte High School and starting catcher on the Slicers baseball team that clinched the state championship in 2000. This appointment to Bethel brings him closer to his roots, fulfilling a long-held desire to live back in Indiana and make a difference in the local area for good.

Although Dee and his wife, Amanda (Ludlow), are high school sweethearts and have resided far away from the area for more than two decades now, they always try to get back for the LaPorte 4th of July Parade and enjoy the flyover and festivities that La Porte has to offer. Dr. McDonald resides in the South Bend area with his wife and their two children. He credits much of his professional life to the enduring values and community that shaped his passion for leadership, excellence, and hard work.

McDonald's professional journey spans nearly two decades in Christian higher education, including leadership roles at Olivet Nazarene University, North Central University, Southeastern University, and most recently, as Vice President for Enrollment and Marketing at Crown College in Minnesota.

La Porte County Family YMCA Launches Mobile Youth Unit in Collaboration with Kiwanis Club of La Porte

The La Porte County Family YMCA and the Kiwanis Club of La Porte are thrilled to announce an exciting new initiative designed to expand youth outreach and eliminate barriers to participation: the **Mobile Youth Unit**. Bolstered by Kiwanis' awarding the idea as their winner for an innovative "Spark Starter" project in late 2024, their \$25,000 contribution, and additional community partnerships, the YMCA is launching a fully equipped 22-foot vehicle that will function as a mobile hub for youth programming. This collaborative outreach project is rooted in a shared mission—to support youth development, promote equity, and make a lasting impact throughout the La Porte community. The Mobile Youth Unit will travel to underserved neighborhoods and community events, bringing a wide range of engaging, free programs right to the heart of where kids live and play. By removing transportation and cost obstacles, the unit makes it easier for families to access valuable resources and enrichment opportunities.

What the Mobile Youth Unit Offers:

- Sports programming to encourage active play and teamwork
- STEAM (science, technology, engineering, arts, and mathematics) inspired activities
- Healthy snacks to support growing minds and bodies

This mobile initiative embodies the YMCA and Kiwanis Club's shared commitment to youth development, equity, and community impact. By meeting kids where they are, we hope to make lasting connections, spark curiosity, and support their growth in fun and meaningful ways. Together, the YMCA and Kiwanis Club of La Porte are paving the way for a more connected, equitable, and empowered future for our community's youth.

Interested in joining the Kiwanis Club of La Porte?

As a Kiwanian, it is our mission to improve the world one child and one community at a time. There are several volunteer opportunities and ways to get involved, such as:

- **Two Wednesday meetings a month (at noon)**

- **Spring pancake breakfast - free to the community**
- **Pop-up picnics at area parks - free to the community**
- **Student-led clubs in our schools - sponsored by Kiwanis**
- **Shenanigans and new friends**
- **Fundraisers like "Radio Days" and an annual golf outing**
- **Impactful financial donations to youth-related organizations and programs serving La Porte**

Indiana Kiwanians have supported the work of Riley Hospital for Children in Indianapolis for over 100 years, and the La Porte Kiwanis Club has been repeatedly acknowledged for its long commitment to fundraising support and generous donations to Riley.

The Kiwanis Club of La Porte organizes the 4th of July "Run for Riley". The race is traditionally run in the morning just prior to the parade, and the route travels back and forth along the entire parade route. 100% of net proceeds from the run are directed to Riley. The sponsors listed above have graciously provided the seed money to cover the related expenses, and the net fees from runners last year sent funds in excess of **\$8,200** to make a difference!
